Honestly I loved this place. I am quite found of Maharashtra food. Their food just gives you those flavors you're missing on. I have been eating at their small restaurant from past 2 days with absolutely **affordable prices**. There is a saying in Islam that serve with good heart and it will fulfill your tummy with taste and flavors. This is exactly what it means

I would love to give them a full **5-star rating** in every aspect! The food is absolutely **authentic**, and the taste is consistently satisfying. Every dish reflects the richness of their cuisine. I also appreciate the personal touch and care they put into their service. Highly recommended for anyone looking to enjoy flavorful, **traditional food**.
